WEAVERLINE

Fast and Easy Mulching

WITH THE

MULCH MASTER!

Model KB 1390 Straw Mulcher

3-point hitch—PTO Drive

Cuts mulching time and puts mulch where you want it!

MANUFACTURED IN THE U.S.A. BY WEAVERLINE, LLC.

By mulching with the Weaverline Mulch Master you can save up to 80% on your mulching time over mulching by hand. You can mulch a bale of straw in as fast as 30 seconds. With the optional 30 ft or 40 ft flexible hose, mulch can be placed easily in tight spots and difficult to reach areas.

High Efficiency Rotor	The aggressive 56-knife rotor with a spiral design assures an even power curve for uniform continuous cutting with **less horsepower**. This rotor, with its double V-belt drive for efficient transfer of power, is the heart of the high-capacity Weaverline Bale Choppers. The top is easily removed for access to the rotor.
The Weaverline model KB 1390 Mulch Master is PTO powered and quick hitch compatible, designed for compact tractors. Available as options are a rotating gooseneck and a hose handle kit.	
Unit Specs	56” long x 45” wide x 50” high - 56 knives bolted to hex plates Capacity approx. 120 bales per hr. -Weight approx. 600 lbs.
