

WALLENSTEIN

MAKING WORK FEEL MORE LIKE PLAY™

NEW!

BX36R

3.5" Wood Chipper

The BX36R PTO driven wood chipper will handle all your rural and fence line property projects. The dual feed rollers are driven by two hydraulic motors dialed in to your desired roller speed. This keeps the oversized heavy duty rotor spinning and processing through all your wood and brush piles.

WALLENSTEIN

NEW!

BX36R

3.5" Wood Chipper

Made in Wallenstein, ON

Canadian made with over 40 years of proven quality that will last a lifetime.

Adjustable Exit Chute

Put the chips where you need them with a 360° adjustable exit chute.

Precision Balanced Rotor

Reduces vibration, minimizes noise, and extends machine life.

Adjustable Ledger Knife

Provides a fixed cutting edge for the rotating knives.

Adjustable Base

Properly align with your tractors PTO shaft.

4 Position Safety Bar

Designed for easy control and instant stopping of the rollers.

Flow Control Dial

Adjust feed roller speed for varying wood types.

Wide/Foldable Hopper

Easily handles large bulky brush then folds up for convenient compact storage.

Wide Infeed Opening

The 9" extra wide infeed opening handles large, irregular branches and limbs.

Dual Action Hydraulic Rollers

Gripping your brush from top and bottom, delivering a consistent feed, powered by two hydraulic motors.
