

“Bridge” Estate Harrow

Based on 40 years of Chain Harrow Manufacturing Experience

The Best Versatile Small Harrow

- Manufactured from HARD 1045 1/2” steel
- Bright “safety blue” paint for visibility
- Easy to handle size (5 foot working width, 95lbs total weight including the drawbar)
- Two working sides:
 - Aggressive (None of the teeth follow another, for complete coverage)
 - Almost smooth (Ideal for surface sensitive equine jumping or riding arenas)
