PTO GENERATOR

Use your tractor to provide the power you need, where you need it! Eliminate the extra costs of owning and maintaining a separate engine for your generator. PECO's PTO Generator is powered by your tractor's 540RPM PTO. Automatic voltage regulation is standard on the 10kw and 16kw models. Fits any Category 1 or 2 three-point hitch. Whenever and wherever you need power, hook up your tractor and plug in!

Features

- Heavy-Duty Single Phase Generators, Brushless (Capacitor) Design for Maintenance Free Performance
- Aluminum and Steel Housing for a Maximum in Durability and Lightweight
- Drip-Proof Design
- 100% Copper Windings, Low Distortion Alternator (THM <5%) for High Quality Power Output, Insulation Class H
- Lifetime Pre-Sealed Maintenance Free Bearings
- 4" Three Bar LED Meter Provides Accurate Display of Hertz, Volts, and Amps Output
- Individually Protected Circuits
- Magnetic Circuit Breaker with Individual Circuit Protection for Safety and Accurate Overload Protection
- Full Power Outlet
- Simultaneous 120V and 240V Output
- PTO Speed of 540RPM
- Fits Category 1 or 2, Three-Point Hitch
- Limited Two Year Warranty

Model	Continuous Wattage Output	Maximum Breaker Capacity	Receptacles	Minimum Tractor PTO Power	Shipping Weight	Cost
PTOG-0010	10,000 Watts	40 Amp	NEMA 5-20 NEMA 1450	20hp	295 lbs	$3,575
PTOG-0016	16,000 Watts	60 Amp	NEMA 5-20 NEMA 1460	32hp	345 lbs	$4,695
PTOG-0022	22,000 Watts	90 Amp	NEMA 5-20 NEMA 1450 Modular 175A	44hp	365 lbs	$5,895
PTOG-0031	31,000 Watts	125 Amp	NEMA 5-20 NEMA 1450 Modular 175A	62hp	450 lbs	$7,525
